We have enjoyed more than 15 years of this great activity. Come out to enjoy the finest trap range on the Central Coast and a great group of Ag teachers and their families.

Note: If you don't own a gun, come out anyway. This is a fun and relaxed event. There are plenty of shotguns to borrow. If you can pick-up two boxes of cheap 12 gauge shells from Wal-Mart, that will help, but it isn't necessary. Just come out and shoot!!!!
