

CATA Curricular Code Change Proposal

Contest:	Scrapbook
Proposed By: (Name, School, Email)	Amanda Rodriguez Santa Maria High School amrodriguez@smjuhsd.org
Issue: (Describe the reason/rationale for the proposed change.)	Although school's receive their own individual scores, the overall scores for the top five teams are never revealed or posted on the final score sheet at State Finals; therefore, there is not transparency among scored making them seem completely subjective. Teams never know how they placed in comparison to the winning scrapbook. Also, winning books (or books that make it to the state level) are never put on display for people to see. How is a team that is new to the competition supposed to know what a winning scrapbook looks like if they have never seen one before? At the very least the top placing scrapbook should be put on display like the Program of Activities is at State Conference.
